| Mechanical Cleaning | | | | | |
| (NA) (A) | Raw coal cleaned..... | 364,068 | | | |
| 295,225 | Clean coal produced or shipped..... | (NA) | | | |

NA Not available.

Figures for quantity and value of shipments are not available.

Excludes some bituminous coal produced in industries other than the bituminous coal industry. Such tonnage was excluded for Pennsylvania and Indiana, amounting to 48 thousand tons in the two States combined.

Less than 50 thousand tons of underground coal produced outside the bituminous coal industry is included with the figures for strip-pit coal.
